

**UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

v.

Case No. 17-20067

ALXLEOTOLD GORDON,

Defendant.

ORDER DIRECTING THE GOVERNMENT TO FILE A SUPPLEMENTAL BRIEF

Defendant Alxleotold Gordon pleaded guilty to distribution of a controlled substance with a death resulting, 21 U.S.C. § 841(a)(1) and (b)(1)(C), possession of a controlled substance with intent to distribute, 21 U.S.C. § 841(a)(1) and (b)(1)(C), possession of firearms in furtherance of a controlled substance distribution offense, 18 U.S.C. § 924(c) and (c)(1)(A)(i), and being a felon in possession of a firearm and ammunition, 18 U.S.C. §§ 922(g)(1) and 924(a)(2). (ECF No. 54, PageID.196-98.) On June 19, 2018, the court sentenced Defendant to 360 months imprisonment. (ECF No. 72, PageID.343.)

Defendant has filed two “Motion[s] for Compassionate Release.” (ECF No. 116, 122.) In both motions, he argues the health risk presented by the Coronavirus Disease (“COVID-19”) at his location of confinement, FCI Pekin, justifies his immediate release.

The government responded to the motions opposing release, but it did not state Defendant’s COVID-19 vaccination status. (ECF No. 119, 124.) The Bureau of Prisons (“BOP”) has made substantial progress distributing COVID-19 vaccines to the federal

prison population around the country and to date has administered over 171,000 doses to staff and prisoners at BOP facilities. *COVID-19: Coronavirus*, Federal Bureau of Prisons, <https://www.bop.gov/coronavirus/> (last visited May 17, 2021).

Defendant's vaccination status is a consideration in determining whether compassionate release is warranted. See 18 U.S.C. § 3582(c)(1)(A) (requiring that a prisoner have "extraordinary and compelling" circumstances to obtain compassionate release).

Whether Defendant is fully vaccinated, or has declined an offered opportunity to become vaccinated, or has not been afforded such opportunity at all, that fact will impact the court's analysis of his motion to reduce sentence. Thus, the court will direct the government to file a supplemental brief stating whether Defendant has been offered a COVID-19 vaccine and whether he has been vaccinated.¹ Accordingly,

IT IS ORDERED that the government is DIRECTED to file a supplemental brief by **June 2, 2021**, stating whether or not Defendant has been offered a COVID-19 vaccine and, if so, whether he has received a COVID-19 vaccine.
